Our Company

CRA Trading LLC was established in the United Arab Emirates in 2005. Since then, CRA has emerged as one of the major regional stockists of pipes and piping components such as flanges, butt weld fittings, forged steel fittings, valves, stud bolts and gaskets in various material grades. We are strategically headquartered in Ras Al Khor Industrial Area in order to serve clients throughout the Middle East and Africa region in the shortest time possible.

For more than a decade, we have been regular suppliers of these products to Major Refineries, Petrochemical, Oil & Gas, Power Generation, Industrial, Food & Agro and Electro Mechanical companies in the Middle East region and beyond. We have continually reinforced these relationships with our customers due to our Assured Quality, Commitment to Timely Delivery, Technical Knowledge and Competitive Prices.

However, none of this would be possible without our biggest asset: Our Employees. They strive for excellence every day and continue to grow on the basis of Ownership, Innovation, Passion, Honesty and Willingness to serve our customers.

Mission

Our goal is to provide the best quality products and customer service at very competitive prices. A highly trained and experienced team of professionals and farsighted management are our company's biggest strength and ensures our customers are always served in the best possible manner.

Values

Commitment – We promise to go above and beyond to ensure our customers and partners get the best.

Reliability – Our people, products and processes will always exceed your expectations.

Assurance – Come what may, we will deliver.
